Jackson, MS 39205

Dear Governor Musgrove:

I am an optometrist in Picayune, MS and over half of the patients in my  
prectice rely on Medicaid for their eyecare and healthcare. If the system  
is not kept solvent, not only will these patients be denied care, but I  
will probably have to consider moving to a wealthier area, thus denying  
the Medicaid recipients of Picayune my services and help.

The system needs reform but it also needs funding.

Sincerely,

David P. Schwarz, O. D.
